Welcome guests, Commander's Commendation for Capt John Gonzales for 2002 Encampment

Safety briefing: Collision Avoidance.

Ops Projects: SM Drivers Licenses. 60-2 Short-Notice Inspections. Eagle Cadet Flight Program. Forms. Pubs. We need more attention to detail on the 104s and 99s.

TTT rescheduled for 10 May at Wing HQ. CD training moved to 14 June. Mission Check Pilot Clinic in Enid on 31 May.

Emergency Joint Response exercise at Camp Gruber 25-27 April. 169 names.

Norman open house 10 May, Armed Forces Day at PWA on 17 May

There is an AFRCC SAR Management Course planned for 26 – 27 April (same weekend as Camp Gruber exercise).

National Flight Academy Oklahoma will be 20 – 29 June at Muskogee. We will support 20 cadets. Lt Col Van Alstine still needs at least 3 more CFIs, ground instructors, and 4 vans. Contact him ASAP if you can help. Volunteers need to send a CAPF 31 to NHQ.

There will be an SLS on 31 May – 1 June, and a CLC in the August – September time frame.

Aerospace Activity of the Month: Moon Shot

CAP Forms 31 for the Oklahoma Wing Summer Encampment are due not later than 21 May 2003. Send them to the Encampment address (not Wing HQ). Include a CAPID and a SSN on the application.

Many instructor pilot, check pilot, and orientation pilot authorizations have expired. Submit a new OKWG Form 61 to renew those authorizations. See the web site to see the expiration dates.

We continue to work toward being ready for a SWR SAV on 9 – 10 August. Make sure you document everything, especially safety related activities and reports. Wing Staff members be ready to turn in completed inspection checklists at the July Wing Staff Meeting.

Wing Staff members especially and all other Senior Members should consider taking the Yeager Aerospace test.

Kudos to the many people who are working hard and doing great things for the Oklahoma Wing: Mike Dillard, Tom Kilpatrick, Debbie Spencer, Bill Blunk, Jeff Rawdon, Jason O'Brien, Charlie Newcomb, etc., etc.

All pilots who fly to the Wing Staff meeting using the B-8 mission number: send a copy of your completed CAPF 104 to Lt Col Edwards after you return home. Make sure the flight time is on the reverse (start and end Hobbs and Tach) (and you send the back page!). FAX it or mail it to his **home address**. A Form 108 is also required regardless of whether it is a reimbursable mission or not, so send him a Form 108 marked "NOT FOR REIMBURSEMENT" with the fuel expense and flying time as well.
